**WARNING:**

The following "Infernal Voting Guide" is published by the Domestic Terrorist Front Organization known as **Planned Parenthood**. Planned Parenthood was founded by a racist anti-Christian, **Margaret Sanger**, who, as a contemporary of **Adolph Hitler**, had nothing but praise for Hitler's eugenics programs for "ridding the world of the unwanted" (i.e. Jews, the poor, the mentally and physically disabled, etc.)

**Remember that if you vote for any of these terrorists who do vote for or promise to vote for Child-Murder, then you are complicit in their murders, and will spend Eternity in Hell with all unrepentant murderers.**

**Pro-AbortionChoice Voter Guide: June 5, 2012 Primary Election**

Planned Parenthood affiliates across California have local non-partisan 501 (c) 4 organizations that were created to educate the public about issues related to abortion and help elect pro-abortion candidates. Please enter your zip or use the county pulldown menu to find candidate information for your area.

THE FOLLOWING is a LIST of CANDIDATES for CALIFORNIA'S ASSEMBLY and SENATE who are endorsed by **Equality California**, a Diabolically Disoriented group of Selfish, Immature and Extremely Irresponsible monsters & cowards who are 100% in FAVOR of the Murder of Innocent, Defenseless Unborn Baby Boys and Girls in their mothers' wombs [ABORTION] and the DESTRUCTION of Marriage, the Family and Society through so-called Same-Sex "Marriage". They implicitly endorse **BI-SEXUAL "Marriage"** which would be any combination of currently married men and women who are "bi-sexual" and want to "marry" their "gay" "partner". Any number of "bi-sexual" partners would be allowed to "marry" one-another resulting in a "family" with numerous "fathers" and "mothers". [Editors note: Once society strays from the sweet yoke of Christ's Law, anarchy is sure to ensue.]

**THIS WILL OF COURSE OPEN THE DOOR to LEGISLATION or a COURT DECISION  
"LEGALIZING" POLYGAMY**

[But then again, that's what the Destroyers want]

**Equality California, like Planned Parenthood, is run by Anti-Catholic, Anti-Christian Pagans who seek to use LAW to destroy the Church and Our Lord Jesus Christ.**

**They will NEVER succeed.  
We have our Blessed Lord's promise on that.**

**WARNING:**

If you vote for any of the following political candidates endorsed by **Equality California** – *the Anti-God, Anti-Catholic, Anti-Christian, Pro-Abortion, Pagan organization that seeks to destroy marriage and exalt the sin of sodomy* – then you will suffer the same Eternal Punishment those politicians will suffer for their DIABOLICAL ATTACK on the sacred institution of Marriage and the Family. You have been forewarned about their position on Sodomy and Same-Sex “Marriage”. You will NOT be able to plead any lame excuses when you stand naked before the Judgment Seat of your Creator.

Aug. 14, 2010 LA Mayor Antonio Villaraigosa and his cousin and EQCA honoree Assembly Speaker John A. Perez at EQCA gala.

Here is a photo of current Speaker of the Assembly **ProAbortion John Pérez** with his cousin, former Speaker of the Assembly **ProAbortion Antonio Villaraigosa**, at an event honoring the shameless sodomite. **ProAbortion Antonio Villaraigosa** is an EXCOMMUNICATED “Catholic” who, although he voted 100% in FAVOR of the MURDER of Innocent, Defenseless Unborn Children, is an UNREPENTANT ADULTERER (enemy of marriage) and, as a 100% PROMOTER and DEFENDER of the immature and diabolical conspiracy to redefine Marriage so that any two or more immature “men” who enjoy inserting objects (including their own “object”) up one another’s rectums, the State should recognize this as “Marriage”, sought out special certification to witness marriages and “married” in Los Angeles City Hall, a Hollyweird Producer and his “luster” (it’s not really LOVE—they’ve re-defined that word, too), was allowed to send his son to the Jesuit (*not-really* Catholic) college preparatory I and my brothers attended, where I was sexually molested (along with other students). [N.B.: I seek no justice from the Jesuits, “men” *against* others who shamelessly honor the avowed Enemies of God would do anything but try to “heal” the pain I have carried with me due to one of their shameless members criminal actions.] In 2007 Loyola HONORED **ProAbortion Antonio Villaraigosa** as a speaker at one of their Alumni Breakfasts. The former Speaker, who in his career in the California State Assembly Spoke out AGAINST the VOICELESS INNOCENTS by voting FOR their MURDER by ABORTION, as an historically verifiable MASS-MURDERER called God’s CURSE down upon that once holy, Catholic institution. The earth should have opened up and swallowed 1901 Venice Boulevard whole on that day that the Mass-Murderer **ProAbortion Antonio Villaraigosa** came to speak.

“Christians the World over must realize and accept the fact that in order to make Christ the King of our Society,  
as we are commanded to do,  
we must take back the City Halls, the Courthouses, the State Houses & the White House.”
